Description

Alice is a 67 year old widow who married her highschool sweetheart. She has an associate degree and experience working in the medical field. She has little to no experience working with technology. She is looking for someone who vaccinates their grandchildren, and is a family person. She does not want to date anyone under her age.

Goals

She would like to find someone:

- In her area
- Shares common interests
- Around her age

How can we help

We can help by

- Providing a simple, straightforward UI for a dating app
- Allowing the user to filter on their age, location, and interests
